

Performance Player of the Month

February 2010

Luke Heffernan – Mini Red 1 Squad

Luke is relatively new to our performance programme; he trains on a Wednesday night at John Ferneley College in our Mini Red 1 squad.

Luke has only been playing for a year; he came out of our resurrected schools programme in December 08. Luke's achievements over the year, from someone starting relatively late into tennis, have been outstanding. This is down to Luke's determination and love for the game and I hope this continues for the years to come as we could have a very useful player on our hands.

Luke's improvement since he started has been enormous; it also sealed him a place in Sherard's school tennis team at the end of last year. The team consisted of fellow club members Max Gilbert, Michael Orridge and Abbie Hickling. With 8 primary schools involved in the competition, Sherard finally came out on top, winning all their matches.

Luke also played in Hamilton's Mini 'A' team at Knighton tennis centre in Leicester. Luke won all his matches, helping his team gain a place in the county finals, played at the Dan Maskell centre in Loughborough, where they finished 3rd overall.

Luke has also seen individual success, winning 2 of our Mini Red competitions, run at John Ferneley over the winter. To top it all off, he also supports the right coloured football team! Come on the blues.

Keep up the good work!

Well done Luke

Head of Performance
