

# Performance Player of the Month

## October 2009

### Amy Douglas – C Squad

Amy has been involved in our tennis programme for many years and is a very noisy member of our C squad, who train once a week on a Friday night.

Amy recently, against all the form books, won the Hamilton Junior Club Tournament in the U14 singles event, beating the number 1 seed, followed by club team mate and friend Amelia Coltman in a closely fought final with the score line of 6-4 6-4. Hopefully this will give her the boost she needs to enter more tournaments and to try and increase her rating and level over the next 6 months.

Amy also teamed up with Amelia to play in a team event at Nottingham tennis centre where they were runners up overall on the day.

Amy again is another of our juniors who likes to help out with groups and open days, feeding and rallying with the little ones. Amy has also helped out at many tournaments as a court supervisor, scoring for players aged between 5 and 8.

I will be looking forward to Amy gaining some of her confidence and determination back and becoming more involved in tennis, where she can try and break into the adult side of the club set up.

Keep up the good work!

Well done Amy
