

Performance Update

Well, the start of this year saw us hit with some pretty tough weather. February being the worst hit with the 2 week snow interruption to our ever growing and successful programme. But this did not deter our players from achieving more successes along the way.

The 1st official fitness tests were well attended with well over 80% of our performance players making themselves available. Ages ranged from 5 to 17 years, it was a great sight to see everyone mixing in. The retest day will be coming up mid June.

Our club is still currently top of the Leicestershire key club table, with now over 70 juniors regularly competing and with 195 of our members signed up to British tennis membership. This is a great achievement for a club our size.

Recent successes to report so far include:

Oliver Aley winning our first mini red comp this year.

Tom Dryell winning our first mini orange comp this year. Lily Dickinson runners up. Charlie Griffin and Beth Lowe representing their county in the under 18 girls county cup team in Welwyn Garden city.

Alex Lunn won a county orange event to qualify for the masters final indoor series in Leeds.

Gabriele Lunn represented her county at a green event winning all her matches at Corby Indoor Centre.

Our team of six mini players came 3rd in the East Midlands Performance Challenge and qualified for division 1 in the summer. Well done to Alex Horobin, Gaby Lunn, Alex Lunn, Lily Dickinson, Lewis Postle and Abby Grayson.

Amelia Coltman and Amy Douglas played in a team event at Nottingham Tennis Centre, where they each had to play singles and then team up to play a doubles, with each win counting towards their teams score. The girls did extremely well, but just lost out in the final. Both Amy and Amelia were over the moon with their performances, despite playing the whole day over in Nottingham, they still could not resist coming back to the club to play some more. That's dedication.

Well done to Alex Lunn increasing his rating to an orange 1.

The Aegon Junior Club leagues are due to start this weekend, please make yourselves available and see if we can get some success with our 8 teams we have entered.

Please don't forget to keep checking the Hamilton website for performance information/dates and tournaments as this updated frequently.
