

The **Mens Single's League** will run on a Monday evening.

The men have been seeded into 5 divisions and will play their matches over the course of one month.

Each game is one traditional set up to 6, with a tie break at 5-5.

New players are encouraged to join, but will have to be at the beginning of the month. Early notification would be useful to help divisional organisation.

Any questions or comments please contact Justin Horobin.

The **Mens Double's League** will run along side the Singles League on a Monday evening.

This is a little less formal and players can form 'fours' to play sets. It is suggested that the lower placed player in the league has choice of partner. It would be good to try and play with and against as many different players as possible.

The players are all part of one division and one traditional set will be played to 6, with no tie-break should the score reach 5-5, which is then declared a draw.

Any questions or comments please contact Graham Hall

The Leagues will be updated each week and made available on the notice board and website.
