

Triple success for Alex Lunn

Hamilton player Alex Lunn, aged 9, has secured a place at the national tennis trials at the home of British Tennis in Roehampton, London.

Alex has had countless county tournament wins throughout the winter season 2009/10, in Leicestershire, Derbyshire, Nottinghamshire, Lincolnshire, Shropshire and Warwickshire.

Alex, who attends Loughborough's International High Performance Centre 3 times a week, has most recently won the County Masters Event; he has also been selected at regional trials 3 times this year. Following Alex's performance at these trials and his overall tournament successes, he was then selected for the national trials.

All at the Hamilton wish him great success in the coming months.

Well Done Alex
