MACMILLAN MIX IN MORNING

On a beautiful sunny October morning, 22 ladies and gents turned out to support the Macmillan Cancer research programme in a friendly and informal mix in morning.

June Roper, Melton's Macmillan organiser, turned out with her delicious jams, chutneys and marmalades plus a supply of Christmas cards.

Food and refreshments were supplied by the ladies, and organised by Mrs Paula Simon and several participants supplied raffle prizes. After three hours of friendly tennis, players sat down to enjoy their buffet lunch, which was followed by the raffle drawn by June Roper. A sum of £270 was raised on the morning and handed over to June, who praised everyone for their involvement and generosity. Organiser Brent Horobin was delighted with the turn-out once again, and equally delighted that Mrs Louise Smethurst had supplied a beautiful PAVLOVA !!
